

LEIGH  
PILZER

*Strunkin'*

## 1. Strunkin'

In memory of Dr. Steven G. Strunk. A talented and brilliant musician and scholar; a patient and kind teacher and mentor.

## 2. Blue Moo

For my mother, whose nickname in our family is “Moo.” (*It's a long story.*)

## 3. Miss Ally in Allyworld

In memory of my sister Ally, who introduced us all to Allyworld.  
It's not so much a place as a state of mind.

## 4. Brag Time (Amy Shook • Coffee Comet Music) (BMI)

Amy's tribute to “The Divine One,” Miss Sarah Vaughan.

## 5. Thaddish

An attempt to capture a bit of the spirit of Thad Jones.

## 6. It's Anyone But You

Originally written as a jazz waltz, presented here as a samba.

## 7. Look Before You Lerp

It's not a misprint; “Lerp” is another nickname. (*And another long story.*)

## 8. Duel at Dawn (Jen Krupa)

Jen's deconstructed bebop tune: a free-for-all romp.

ALL SELECTIONS BY LEIGH PILZER | LEIGHMUR MUSIC (ASCAP) EXCEPT AS NOTED

Deepest thanks and appreciation to my talented and patient siblings Charlie and Tracy for their ears and eyes; my mother Gerry for her ever-present and enthusiastic support; Amy K Bormet for her vision and hard work putting together the annual Washington Women in Jazz Festival and for giving me the opportunity to present this concert (and others) as part of it; and Chris, for pretty much everything.

To my amazing friends and colleagues Jen, Sherrie, Amy, and Jackie: it is a privilege and a joy to make music with you. In the words of the late Stanley Kay, without whom we might never have come together, *"love, gratitude, and respect"* to you all.
